

AKILES

CoilMac-EX
[ELECTRIC COIL BINDING MACHINE]

**All-In-One Electric Coil Punch,
Electric Inserter & Crimper**

**Heavy Duty
All Metal
Construction!**

**CoilMac-EX41+
(Oval)**

**CoilMac-EX41
(Round)**

Heavy Duty Punch Motor
All metal machine punches
up to 25 sheets of 20 lbs
paper.

Electric Full-Size Inserter
Large built-in roller for
faster and easier coil
insertion.

Fully Disengageable Pins
All 54 pins can be independently
pulled & disengaged, for a clean
& professional punch of any
paper size (Oval version only).

Available with Oval Holes
These special oval-shaped
holes will improve your coil
binding speeds by as much
as 50% (Oval version only).

AKILES CoilMac-EX [ELECTRIC COIL BINDING MACHINE]

With its heavy-duty punch motor, built-in electric coil inserter and complete system of functions, the Akiles CoilMac-EX makes coil binding fast, easy, convenient and professional.

Reverse Function

Manually reverse motor in case of jams. (Allen wrench needed)

Die Disengagement Pins

For a clean and complete punch on different paper sizes.

Depth Margin Control

Provides the correct punch margin depth for multiple book sizes.

Side Margin Control

Provides an evenly centered punch for all document sizes.

Open Punching Throat & Continuous Punching Guide

For an easy alignment & punching of longer documents.

Foot Pedal Operation

Allows the free use of both hands, granting the operator complete control of punching & inserting.

Electric Coil Inserter

Built-in roller improves binding efficiency, while saving time & money.

U-Shaped Alignment Channel

Helps to conform the spine of larger diameter documents to the coil's shape, for faster and easier insertion.

UPGRADE to an Electric Crimper!

Our **Finish@Coil-E1** can be mounted on top or sit next to the CoilMac-EX for faster coil crimping and for inserting coils into larger books (up to 2").
