COILMAC-M

Manual Punch and Coil Insertion Table

The CoilMac-M is easy to use. Its high quality components and full range of functions make it the most complete and durable piece of equipment in its class. Includes coil selector guide and waste drawer.

FEATURES:

- Binds 4:1 pitch coil up to 25mm in diameter
- Die disengagement pins for a clean punch with different paper sizes.
- Side margin control provides an evenly centered punch for all document sizes.
- Waste basket
- Punching margin control provides the correct punch margin depth for each coil size and maximizes the document's tear resistance
- Open punching throat and continuous punching guide
- Manufacturer's warranty - 1 year

- Inserting table increases coil insertion speed, reducing costs and binding time.
- Manual coil inserter detaches from machine to form two separate stations.
