

# COILMAC - M+

## Manual Punch and Coil Insertion Table

With special oval holes, fully disengageable pins, and letter 4:1 pitch, the CoilMac-M Plus renders efficiency and productivity. Its high quality components and full range of functions make it the most complete and durable equipment in its class, and one of the easiest to operate. CoilMac-M Plus is undoubtedly the ideal partner for your important coil binding jobs.

### FEATURES:

- **Oval holes** - Hole pattern is 100% compatible with STANDARD 4:1 pitch coils.
- **4:1 pitch (0.248")** - This revolutionary 0.248" coil pitch is specifically designed to give you 44 evenly centered holes on an 11" sheet, which provides the most ideal hole to edge-of-sheet margins and easier coil insertion.
- **FULLY Disengageable Pins** for clean and professional punching of any paper sizes (up to 26").
- **Extended Single Punching Length (13")** with open ends and continuous punch guide to easily punch documents of any length (up to 26").
- **Exclusive EZ Inserting Table with Detachable Design** allows the Punch & Inserting Table to be placed side-by-side, allowing one person to punch the paper while another person inserts the coils.
- **Side Margin Control** provides an evenly centered punch for all document sizes.
- **Includes Coil Diameter Selector**
