

Akiles DIAMOND-1 Round Corner Machine

Corner Rounding Equipment

Turn square cornered covers into round corners with this manual corner rounding machine. The strongest and most efficient manual corner rounding machine in its class.

FEATURES:

- Carefully crafted with only the highest quality components.
- Works with all standard materials like PVC, polyester, leather, paper, polypropylene, etc.
- Specially designed to cut through multiple sheets at a time with the least effort and with minimum die depreciation.
- Designed with an interchangeable die system making it a practical piece of equipment.
- Ideal for rounding covers, pouches, pictures, all types of IDs, invitations, postcards, etc.
- Machine comes with 1/4" RC die, "L" guide, radius alignment guide and extra pads.
- Additional optional dies:
 - Half-moon die for thumb notching for calendar hangers
 - Straight cut die for "clipped" corners
