## 24" MANUAL COMBO

### TRY THE EASY TO USE EXPLORER 1 COMB BINDING SYSTEM

Manual comb binding machines are ideal for your small projects. The Explorer 1 Plastic Comb Binding Machine is one of the most affordable and easy to use manual comb binders available. With a desktop size, it's a great space saver for small offices or classrooms.

The Explorer 1 Comb Binding Machine makes it easy to adjust the depth of the margins, so you won't have to worry about accidentally punching holes through your text or graphics. Punch and bind up to 17 sheets of paper at a time. With 24 hole punching capacity, you can even bind legal sized documents. The 24 adjustable die pins allow you to choose how and where you would like your punch holes to be. This compact machine is great for any office or school.
