

Simply fold the pressure seal form and feed it into the FD 1000. In just seconds, you'll have a secure, mail-ready piece.

### Compact Pressure Seal Solution

The FD 1000 Hand-Feed Pressure Sealer provides a quick and easy solution for processing single pressure seal forms.

#### Ideal for:

- One-off forms
- Re-runs
- Quickly sealing misfed forms offline
- Backup for a primary pressure sealer

#### Advantages:

- Quick operation, right out of the box
- No guesswork or set-up
- Simply fold the form and feed it
- Accommodates a wide variety of forms

Proudly built in the USA with proven Formax technology, the FD 1000 is an economical solution with the quality and reliability you've come to expect from Formax.
