Shred at the Source!

AC Geared Motor: Powerful, durable and built to outlast the competition

LED Control Panel: Easy to use with load indicator and energy-saving ECO Mode

All-Metal Gears: Heavy duty steel gears for high performance and minimal noise

Heavy Duty Waste Bin: Rugged molded plastic with a lifetime guarantee

FD 8502CC / SC

OFFICE SHREDDER

Commercial-grade components in a sleek, compact design

The Formax FD 8502CC and FD 8502SC OnSite Office Shredders are built to the highest standards for operator convenience, safety and reliability. Both cross-cut and strip-cut models feature an easy-to-use LED control panel which puts commercial-grade power right at your fingertips.

An extra-wide 16" feed opening accommodates green-bar computer forms. Heat-treated steel blades, a steel cabinet, lifetime guaranteed waste bin, and a powerful AC geared-motor ensure years of reliable performance and information security in your office environment. In addition, the ECO Mode saves energy by automatically switching into standby mode after 5 minutes of inactivity.

The optional EvenFlow™ Automatic Oiling System helps to keep the FD 8502CC and FD 8502SC in peak operating condition.

FORMAX®

Standard Features

Auto Start/Auto Stop: Optical sensor detects paper and starts operation automatically

LED Control Panel with Load Indicator: Provides machine status and helps operators avoid jams

ECO Mode: Automatically enters energy-saving standby mode after 5 minutes of inactivity

Door Safety Sensor: Motor stops automatically if cabinet door is opened

Auto Reverse: In case of paper jam, built-in controls switch motor into reverse to clear jam

Heat-treated Steel Cutting Blades: Specially ground for longevity and require minimal oil

High Quality Geared Motor: Powerful, efficient AC geared-motor with heavy duty steel gears for high performance, minimal noise and continuous operation

Extra-wide 16" feed opening

All-Metal Cabinet with casters

Auto Sensor: Motor stops automatically when waste bin is full

Lifetime Guaranteed Heavy-Duty Waste Bin

Auto Cleaning: Press reverse button for 5 seconds and motor will run in reverse for 1 minute

Oil Indicator: Control panel LED flashes to suggest oiling cutting blades for optimal performance

Self-Diagnosis System: Records a variety of information for use by service technicians

Thermal Overload Protection

Safety Circuit Breaker: Ensures safe operation

Easy-to-use control panel with Load Indicator and ECO Mode

Lifetime Guaranteed Heavy-Duty Waste Bin

Abilities

Accepts staples, paper clips and credit cards

Manual Function: For shredding small paper or films which can't be detected by the sensor
