

FlexiPunch-E

FlexiPunch-E is a versatile modular punching machine with an affordable price that gives you the binding options you need in everyday work. You can do a coil binding job, and minutes later squeeze in a wire or comb binding project using the same primary punch. Choose one of the high-quality precision die sets available for this machine that will last for years of production.

PRODUCT DETAILS:

High Volume Punch Capacity: Up to 20 sheets of 20 lb. paper per cycle. Foot pedal operated.

Heavy-Duty Motor & Gearbox: Provides more than enough punch power for all die sets.

Interchangeable Die Sets with Quick Die Change Design: Easily change from one punch pattern to another within seconds, no tools needed!

Fully Disengageable Pins on all Dies: Allows punching of all paper sizes without partially punched holes at either end.

Choice of 4 Different Punch Dies: Choose from Comb, Wire 2:1, Wire 3:1 and Coil 4:1.

Adjustable Depth Margin: Available for all punch dies, this key feature provides the correct punch margin depth for each element or book size.

12" Single Punch Length with Open Ends: Enables easy punching of Letter or A4 sizes, even longer sheet sizes.

Built-in Anti-Jam (Reverse) Feature: When sheet overload is detected, machine automatically retracts and stops punch operation to avoid downtime.

Rugged Heavy-Duty Design: All metal construction, including heavy cast side plates and Non-skid feet.
