

PRO-BIND 1000 & PRO-CRIMPER

BIND YOUR THERMAL COVERS IN SECONDS!

Pro-Bind 1000

The Pro-Bind 1000 thermal binds soft and hard covers with a simple touch of a button. This unit is designed for an 8-1/2" x 11" insert sheet or smaller with a 3/4" maximum binding capacity.

After the 60 second binding cycle is complete, simply remove from machine and place in the built-in cooling rack. One minute later you have a completed perfect bound book!

GIVE YOUR HARD COVERS THAT FINISHED LOOK!
