

WBM-532 Wire Closer

The WBM-532 is a heavy duty 14" modular wire closer, that allows you to close all standard wires (including 19-loop wire) from 3/16" up to 1-1/4". The simple vertical open ended design allows you to bind documents up to 14" and longer with consistent quality results.

FEATURES:

- Open ended design allows closing of wire in any length, including wire longer than 14"
- Easy to use wire closer control allowing for micro-adjustments assuring quality accurate closing
- Built in wire holder
- Heavy duty all metal construction
- Stand alone operation that is light weight and portable
