

WIREMAC-E 3:1

ELECTRIC PUNCH & MANUAL WIRE CLOSER

The WireMac-E makes wire binding fast, easy, and convenient. Create professional documents using its electric punch and precision guided wire closer.

FEATURES:

- Binds 3:1 pitch wire ranging from 3/16"-9/16" in diameter
- Die disengagement pins for clean and complete punching with different paper sizes.
- Side margin control provides an evenly centered punch for all document sizes.
- Wire holder holds wire in place for easier inserting of sheets.
- Foot pedal operated electric punch
- Diameter scale measures document's thickness in order to select best wire diameter.
- Waste drawer
- Wire closer control with continuous adjusting scale for a precise and secure closure every time.
- Open punching throat and continuous punching guide for an easy alignment and punching of longer documents.
- Color-coded guides indicate the correct punching depth setting for each wire size.
- Heavy-duty punch motor punches up to 20 sheets of paper (20 lb.)
- Power switch
- Reverse (anti-jam) function
